DILMAH TEA SELECTIONS

# COOKE'S

## BLACK TEA

---

### CEYLON ENGLISH BREAKFAST

A ruby red liquor yields the best of Ceylon in a tea that offers richness, depth and the slightly grassy, bright note of high quality, fresh tea. Neither too strong nor too light, a delicious tea to wake up to, to revive or simply relax with.

### AROMATIC EARL GREY

A bold and bright single region Ceylon tea, grown at around 2000ft above sea level and gently fused with Bergamot flavour. The result is a balanced, medium strength tea with the citrus note that is known as Earl Grey.

### CEYLON SPICED CHAI

A spectacular profusion of tea with artisanal, Sri Lankan herbs and spices, combining ginger, clove, cinnamon, and lemongrass with turmeric & a hint of pepper in an ayurveda inspired chai.

## GREEN TEA

---

### NATURALLY PURE GREEN

Dilmah Pure Green Tea is a gently steamed Ceylon Green tea with the mildly astringent taste typical of fine green teas. A pale-yellow infusion is tinged with olive highlights. A pleasant tea with a lightly sweet finish.

### FRAGRANT JASMINE GREEN

An inspiring organic jasmine green tea with bold leaf appearance, combined with petals of natural Jasmine flowers. The liquor produced by this combination is light and gentle; the special fragrance and a touch of sweetness comes from the night blooming Jasmine flower.

## HERBAL & FRUIT

---

### PURE PEPPERMINT

Dilmah Peppermint Tea is naturally caffeine free and ideally enjoyed after a meal. The natural peppermint oil in the leaves imparts a menthol aroma and adds sparkle to the infusion, making for a cooling and energising experience.

### GENTLE CHAMOMILE

Loose leaf Chamomile is a gentle and relaxing herb enjoyed by many as a tonic for centuries. It has a serene character and wonderful aroma. The daisy-like Chamomile flower, where the subtle flavour is concentrated, has an uplifting aroma reminiscent of apples.

### ELDERFLOWER & APPLE INFUSION

Elderflower & Apple Infusion is a naturally caffeine-free loose-leaf infusion offering a delicious apple fragrance and crowd-pleasing flavours. Citrus and green apple complement elderflower and elderberries to produce a fresh, summery infusion.

### NATURAL INFUSION OF BLUEBERRY

Blueberries lend their soft, tangy flavours to this intense caffeine-free infusion. A loose-leaf fusion of berry, orange and sweet fruit notes offer a delicious all-natural fruit, herb, and spice flavour combination.

### BLOOD ORANGE & EUCALYPTUS

An inspired loose-leaf blend of sweet orange, lemon, and spice in a beautiful ruby red infusion. Strong and tart, the lively fresh berry and orange notes are balanced by the bracing, pungent scent of eucalyptus.
