DILMAH TEA SELECTIONS

COOKE'S

BLACK TEA

CEYLON ENGLISH BREAKFAST

A ruby red liquor yields the best of Ceylon in a tea that offers richness, depth and a bright note of high quality, fresh tea. Neither too strong nor too light, a delicious tea to wake up to, to revive or simply relax with. A tea for connoisseurs.

AROMATIC EARL GREY

A bold and bright single region Ceylon tea, grown at around 2000ft above sea level and gently fused with Bergamot flavour. The result is a balanced, medium strength tea with the citrus note that is known as Earl Grey.

CEYLON CINNAMON SPICE

Sri Lanka is also famous for her Spices. A combination of Ceylon's finest grown elevation in the Dimbula valley, and Ceylon Cinnamon, known as 'true Cinnamon'. Takes milk.

NATURAL CEYLON GINGER

The spice 'hotness' of Ginger partners beautifully with a Ceylon Single Region Tea grown at an elevation of 5,000 feet, to offer a deliciously different and refreshing tea.

ITALIAN ALMOND

A medium strength Tea fused with the bittersweet flavour of Italian Almond. Fragrant, rich, mellow & malty to produce a deep amber infusion. It is a perfect 'dessert tea' or accompaniment to afternoon tea.

GREEN TEA

NATURALLY PURE GREEN

Gently Green tea with the mildly astringent taste typical of fine green teas. A pale-yellow infusion is tinged with olive highlights. A pleasant tea with a lightly sweet finish.

FRAGRANT JASMINE GREEN

An inspiring green tea with bold leaf appearance, combined with petals of natural Jasmine flowers. The liquor produced by this combination is light and gentle; the special fragrance and a touch of sweetness comes from the night blooming Jasmine flower.

MOROCCAN MINT GREEN

Gently uplifting, this combination of green tea with Peppermint leaves produces a delicious and natural tea experience. An aromatic and zestful tea is a perfect after meal beverage.

SINGLE ESTATE OOLONG

Oolong is a semi-oxidized tea. It produces a mellow, pleasing liquor that is a delicate and mild with very large leaves that gradually unfurl over sometimes multiple infusions.

HERBAL & FRUIT

PURE PEPPERMINT HERBAL

The natural Peppermint oil in the leaves imparts a menthol aroma and adds sparkle to the infusion, making for a cooling and energizing experience.

GENTLE CHAMOMILE HERBAL

Chamomile is a gentle and relaxing herb enjoyed by many as a tonic for centuries. The daisy-like Chamomile flower, where the subtle flavour is concentrated, has an uplifting aroma reminiscent of apples.

NATURAL ROSEHIP WITH HIBISCUS HERBAL INFUSION

Its characteristic tart flavour is softened here with Hibiscus flowers. Reputedly a rich source of natural antioxidants, it produces a red infusion with a strong fruity aroma.

NATURAL BLUEBERRY FRUIT

Blueberries lend their soft, tangy flavours to this intense caffeine-free infusion.

ELDERFLOWER & HOT APPLE FRUIT

A naturally caffeine-free infusion offering a delicious apple fragrance and crowd-pleasing flavours. Citrus and green apple complement elderflower and elderberries to produce a fresh, summery infusion.

BLOOD ORANGE & EUCALYPTUS FRUIT INFUSION

An inspired blend of sweet orange, lemon and spice in a beautiful ruby red infusion. Strong and tart, the lively fresh berry and orange notes are balanced by the bracing, pungent scent of eucalyptus.
